

First and for most I will start by giving God all the honor and glory to have been chosen to be a servant of the Sound & Video Ministry. In 1 Corinthians 15:58 (NLT) it reads, "...so my dear brothers and sisters, be strong and immovable. Always work enthusiastically for the Lord, for you know that nothing you do for the Lord is ever useless." This scripture encourages me to work in "excellence" for God and play music that can impact people in all forms no matter what challenges (if any) that can inspire anyone to draw closer to God.

Music is such a universal sound that can bring people together. It inspires, empowers and expresses what we feel. When the opportunity was presented to me to lead the Ministry, I hesitated to say yes, my first instinct was, "little ol' me?" Yes, you. God hand-picked me knowing I have some background in music from playing in band and the marching band as a youth in school. God knew I had a gift (as each one of us do) and he led me to be a part of the ministry.

We play a diversity of music that will capture the attention of the young and old, playing contemporary to gospel. It's an honor to be under the leadership of Pastor Emmanuella and Elder Keisha. These ladies are humble and non-judgmental leaders who inspire, encourage, motivate, and are hard working W.O.G showing their true love for the Lord.

If anyone is searching for a warm and welcoming church home, I encourage you to open your hearts and minds to visit our church where you will leave feeling different and filled with God's word.
